

Vaccination Booths

Multiple Configurations

Articulating hinges allow each panel to rotate 360 degrees, allowing multiple configurations besides the classic 2.4m x 2.4m shape.

Increased Privacy

Give nurses and patients a private area for simple procedures. Private spaces give health care workers a more calm environment to work

Sound Reflecting

Panels offer sound reflection for increased patient privacy

Easy storage

Folds down to approximately 120cm x 30cm for easy storage.

Easy wash

Wipeable white vinyl panels are 100% waterproof and cleanable. Ideal for specialist hygiene environments

Safety First

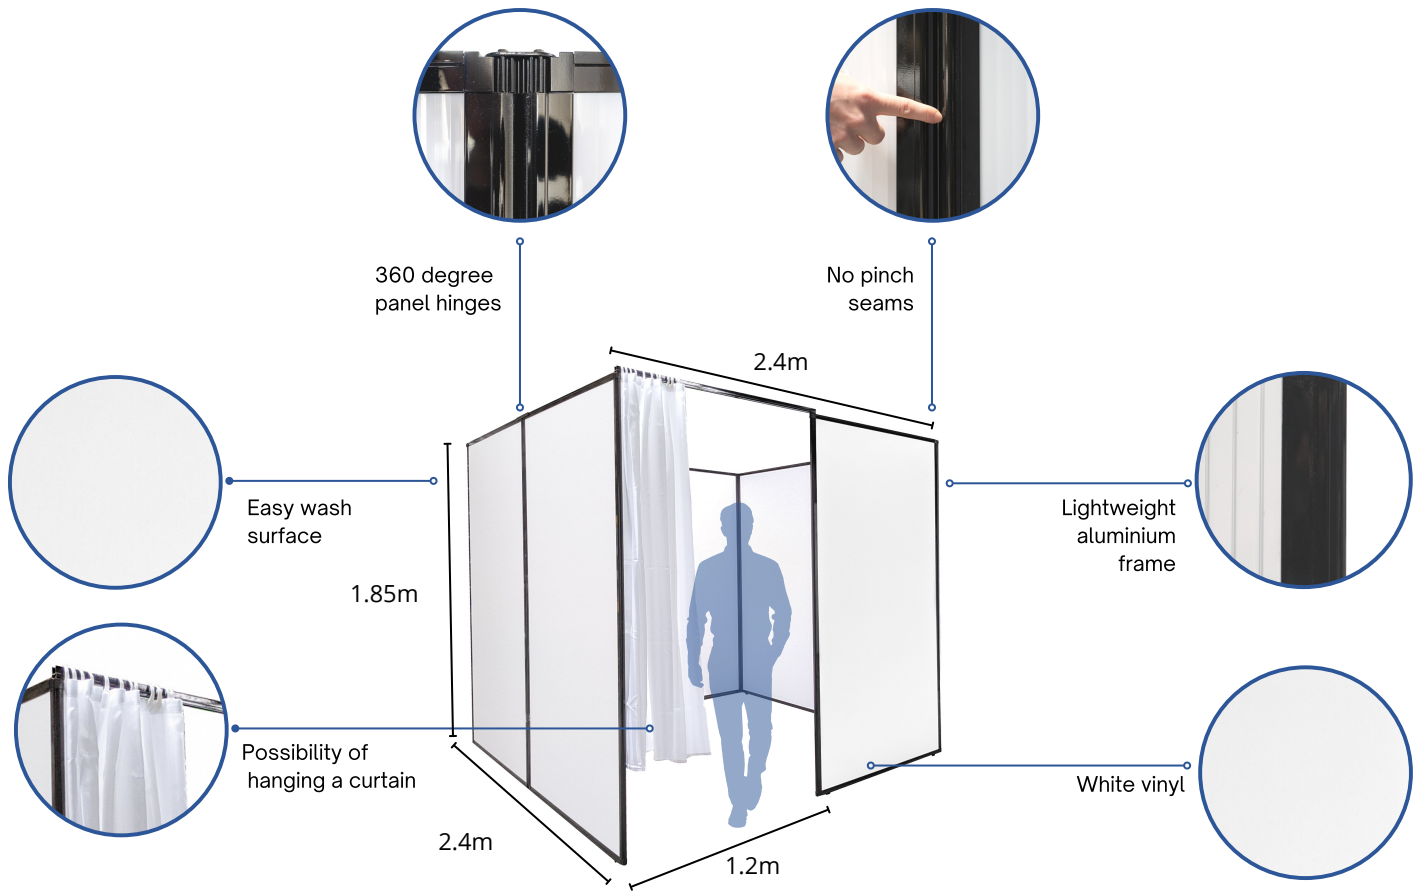

No-pinch seams avoid fingers getting pinched. Locks to keep the panels in the right position can be provided.

Australian Made - Quick Lead Times

Manufactured and assembled in our Sydney factory ensuring the highest quality. Delivered Australia wide with short notice if required.
