

Operable Wall (Folding) Room Divider

Huge Size. Low Price. Easy Set Up

Affordable alternative to track mounted systems that require permits, structural beams and HVAC reconfigurations. Set up in less than 45 min.

Multiple Configurations

180 degree articulating hinges allow each panel to rotate into multiple configurations including L-shapes, straight line and others

Sound Dampening

Engineered acoustic panels manufactured from a honeycomb cell core and specialist acoustic fabric for superior acoustic performance.

Customisable

Mix and match fabric colours or print company logos and artwork directly onto panels. Custom heights and lengths available on request.

Tackable Surface

Tackable surface accepts pins and velcro for posting artwork or signage, allowing you to create your own mobile gallery or display board.

Safety First

No-pinch seams avoid fingers getting pinched. Full end panels for extra stability and articulating hinges to protect the partition from falling over.

Australian Made - 3 years warranty

Manufactured and assembled in our Sydney factory ensuring the highest quality. Delivered Australia wide with 3 year warranty on defects.
