

## Operable Wall (Sliding) Room Divider

### Huge Size. Low Price. Easy Set Up

Affordable alternative to track mounted systems that require permits, structural beams and HVAC reconfigurations. Set up in less than 45 min.

### Straight Line Configuration

Slides open in a straight line and closes down to 120cm x 116cm when not in use. Light weight and easy to move, divides big spaces in seconds.

### Sound Dampening

Extra thick engineered acoustic panels manufactured from a honeycomb cell core and specialist fabric for superior performance.

### Customisable

Mix and match fabric colours or print company logos and artwork directly onto panels. Custom heights and lengths available on request.

### Tackable Surface

Tackable surface accepts pins and velcro for posting artwork or signage, allowing you to create your own mobile gallery or display board.

### Safety First

End panels for extra stability, low castor wheels, lightweight aluminium frames and pivot system to protect the partition from falling over.

### Australian Made - 3 years warranty

Manufactured and assembled in our Sydney factory ensuring the highest quality. Delivered Australia wide with 3 year warranty on defects.
