Folding Mobile Room Divider
(Polycarbonate)

Multiple Configurations

Articulating hinges allow each panel to rotate 360 degrees, enabling infinite configurations including L-shapes, curved and straight lines.

Customisable

Mix and match polycarbonate colours or polycarbonate and panels. Company logos and artwork can also be printed directly onto panels.

Sound Reflecting

Engineered fluted polycarbonate panels offer outstanding sound reflection for superior acoustic performance.

Easy storage

Folds down to 85cm x 46cm. Light weight and easy to move, simply roll away when not in use for quick and easy storage.

Easy wash

Polycarbonate panels are 100% waterproof and cleanable. Ideal for specialist hygiene environments
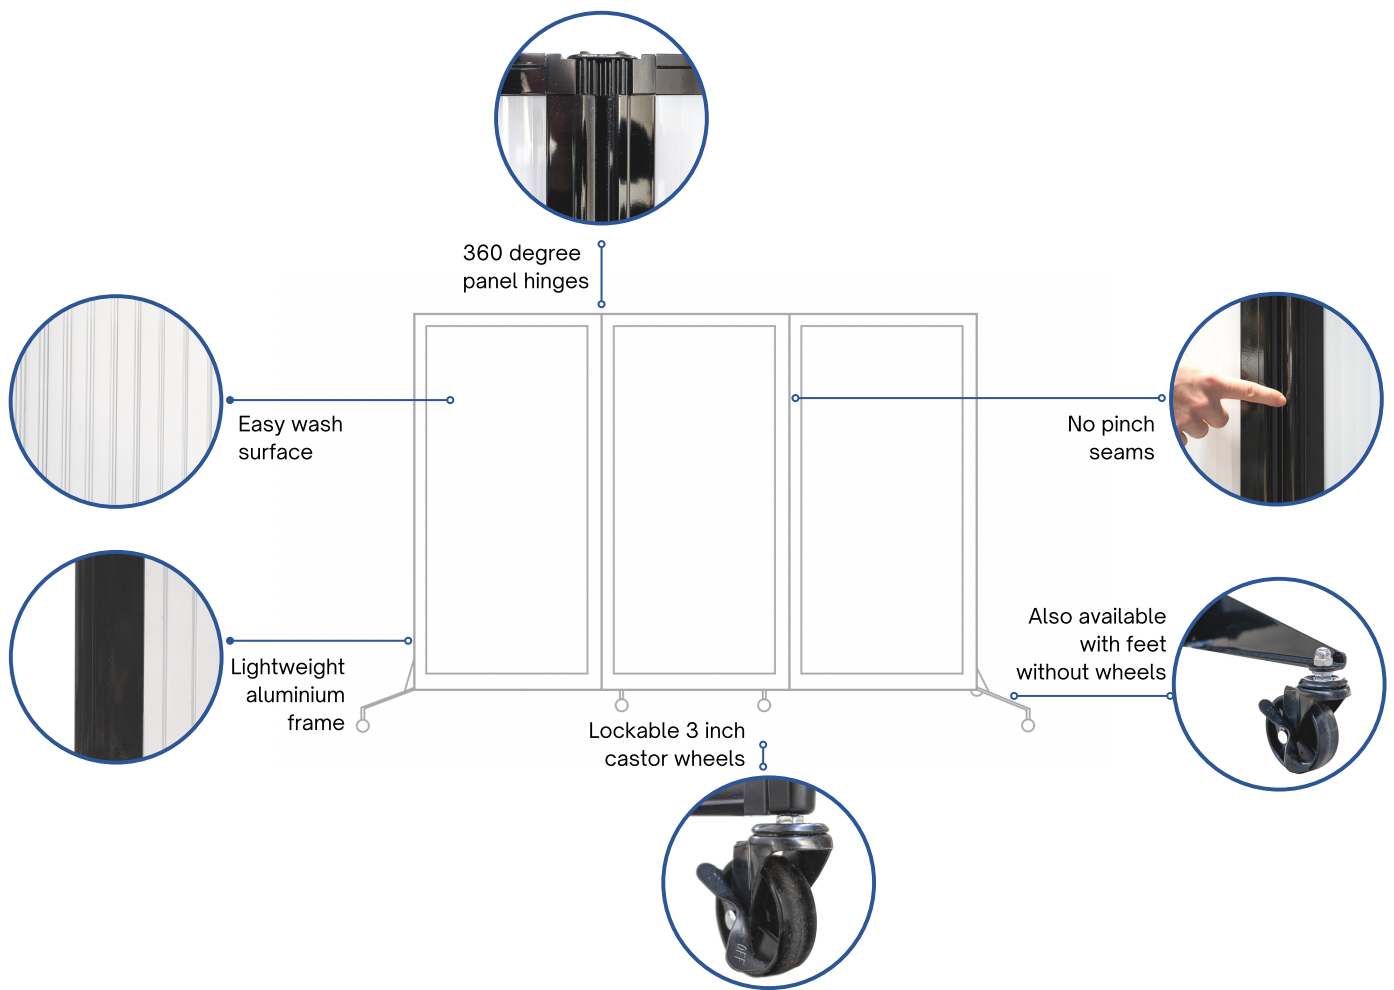

Safety First

No-pinch seams avoid fingers getting pinched. Full end panels for extra stability and articulating hinges to protect the partition from falling over.
