

360 Degree Acoustic Room Divider Wall-Mountable (Fabric)

Multiple Configurations

Articulating hinges allow each panel to rotate 360 degrees, enabling infinite configurations including L-shapes, curved and straight lines.

Wall Mountable

Can be mounted to the wall within minutes using two L brackets provided, allowing for extra stability and minimal movement.

Customisable

Mix and match fabric colours or fabric and polycarbonate panels. Company logos and artwork can also be printed directly onto panels.

Sound Dampening

Engineered acoustic panels manufactured from a honeycomb cell core and specialist acoustic fabric for superior acoustic performance.

Easy storage

Folds down to 85cm x 85cm. Light weight and easy to move, simply roll away when not in use for quick and easy storage.

Tackable Surface

Tackable surface accepts pins and velcro for posting artwork or signage, allowing you to create your own mobile gallery or display board.

Safety First

No-pinch seams avoid fingers getting pinched. Full end panels for extra stability and articulating hinges to protect the partition from falling over.

Australian Made - 3 years warranty

Manufactured and assembled in our Sydney factory ensuring the highest quality. Delivered Australia wide with 3 year warranty on defects.

Product Description

The Wall-Mountable version of the 360 Degree Room Divider Partition is a perfect way to create space for a multitude of uses. Manufactured in Australia, this high-quality divider fabric allows you to make the most efficient use of your workspace within minutes. The sturdy wall-mount enhances stability and provides 7.62m of wall coverage.

Each Room Divider panel rotates a full 360°. There are infinite configuration possibilities, whatever may be your need, we have a solution. The Wall-Mountable version of the room divider is constructed from extruded aluminium and is far superior to piano hinge folding partitions. It also features our no-pinch seams that increase safety, assemble, and transport as a breeze.
